

Our Green Future Starts Here!

- To ensure compliance with all relevant environmental laws and legal regulations
- To foster responsible behaviour among all employees
- To provide environmental awareness training for staff
- To educate our customers and promote awareness
- To influence our major suppliers to minimise the negative impact of their operations on the environment
- To work pro-actively with local authorities and the community at large to progress environmental initiatives and exchange best practice
- To review our environmental policy and practices annually to ensure continued commitment and improving performance
- To have fun along the way!
